Career Planning BSBLED101 Plan Skills Development

Walan Miya are offering a short course to help people identify future pathways to employment and training.

We will work with you to identify current skills and plan future skills development in preparation for working in a broad range of settings. It includes information on how to:

- seek advice on future career directions
- conduct self-assessment of skills
- prepare portfolio of evidence including RPL and RCC

Flexible learning options are available either in facilitated workshops or one on one sessions depending on the need of the individual students.

Student Services

At Walan Miya we take pride in the additional student service support we ensure you have access too, from direct services and external third-party solutions.
